

## Oriental Pearl Tower

### Description

The beautiful Oriental Pearl Tower is located near the city centre of Shanghai, China. When it opened in 1994, it was the tallest building in China and the tallest radio and television tower in the world. The futuristic tower is now home to the China National Radio & Television Center, the largest radio station in Shanghai. Right now, it is no longer the tallest building in the country as it was surpassed by the Shanghai World Financial Center in 2007.
